

## How to use DOAS (Destination Oriented Allocation System)

Are you frustrated by long waiting times at the main floor?

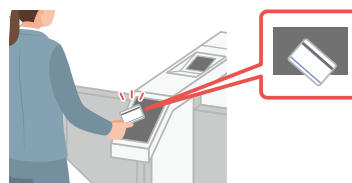

**By entering your destination in advance at the security gate, congestion during peak hours can be alleviated.**

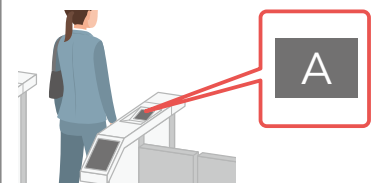

### How to use DOAS

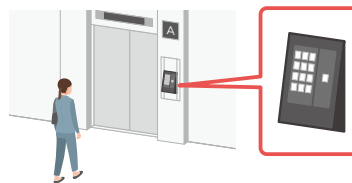

1. Pass your card over the card reader at the security gate.

2. Check the elevator number displayed on the indicator.

3. Proceed to the entrance of the assigned car.

4. Enter the car when the doors open.
